

PRIVACY POLICY

Effective Date: August 13, 2026

Application: Beyond the board

Developer: GouFan Softmedia, OOO

Jurisdiction: Republic of Belarus

1. GENERAL PROVISIONS

This Privacy Policy ("Policy") describes how GouFan Softmedia, OOO ("Developer", "we", "us", "our") handles user information in the Beyond the board application ("Application", "App", "our").

We respect your privacy and are committed to protecting your personal data in accordance with applicable laws, including the Law of the Republic of Belarus "On Personal Data Protection" and the General Data Protection Regulation of the European Union (GDPR), where applicable.

2. DATA COLLECTION

The Application does not collect, store, or transmit users' personal data.

2.1. Data We DO NOT Collect

The Application does not collect the following categories of data:

- Contact information (name, email, phone, address);
- User identifiers (User ID, Apple ID, advertising identifiers);
- Payment information (credit card data, purchase history);
- Geolocation;
- Contacts, photos, videos from media library (except when imported by user initiative);
- App usage data (analytics, telemetry);
- Any other personal or non-personal data.

2.2. Access to Device Features

To ensure functionality, the Application requests access to the following device features:

| Feature | Purpose | Storage |

| Microphone | Recording audio comments for video fragments with tactical analysis | Audio is saved only locally on the user's device as part of the created video file. Not transmitted to Developer or third parties. |

| Media Library / Files | Importing game and training videos for subsequent analysis | Videos are imported by the user at their own discretion. The Application does not upload, or store files on servers. All files remain on the user's device. |

| Device Storage | Saving completed analysis files (video + audio + drawings) | All files are saved exclusively in the local storage of the user's device. The Developer has no access to these files. |

3. DATA USAGE

Since the Application does not collect personal data, we do not use user information for the following purposes:

- Providing and maintaining the Application (all data is processed locally on the device);
- Improving and developing Application functionality;
- Personalizing content or recommendations;
- Sending notifications, marketing, or advertising materials;
- Analyzing user behavior;
- Any other purposes.

4. DATA SHARING WITH THIRD PARTIES

The Application does not share data with third parties as it does not collect any.

We do not share data with:

- Advertising networks and partners;
- Analytics services;
- Payment providers (payment processing is handled directly through the App Store);
- Any other third parties.

5. PAYMENTS AND SUBSCRIPTIONS

Subscription payments for the Application are processed by Apple Inc. through the App Store in accordance with Apple's Privacy Policy.

The Developer does not receive or store users' payment information (credit card data, account details, etc.).

6. DATA RETENTION

The Application does not store data on Developer's servers.

All files created by the user in the Application (analysis videos, audio comments, drawings on game boards) are saved exclusively on the user's device until deleted by the user.

The Developer has no ability to access these files, restore them, or delete them remotely.

7. DATA SECURITY

Since data is not transmitted to the Developer, security measures are applied at the user's device level.

Recommendations for users:

- Regularly back up your device via iCloud or iTunes;
- Protect your device with a password or biometric authentication;
- Do not grant device access to third parties.

8. USER RIGHTS

In accordance with applicable personal data protection laws, users have the following rights:

- Right to access data — request information about what personal data is processed (in this case — none);
- Right to rectification — request correction of inaccurate data (not applicable, no data collected);
- Right to erasure — request deletion of personal data (not applicable, no data collected);
- Right to restrict processing — request restriction of data processing (not applicable);
- Right to data portability — request transfer of data to another controller (not applicable);
- Right to withdraw consent — withdraw consent to data processing (not applicable).

To exercise rights provided by law, users may contact the Developer using the contact information in Section 11.

9. CHILDREN

The Application is intended for users aged 12 and older. We do not collect personal data from children and do not direct content to children under 13.

If you believe that a child under 13 has provided us with personal data, please contact us using the contact information below, and we will take steps to delete such information.

10. CHANGES TO THE PRIVACY POLICY

We may update this Privacy Policy from time to time. Any changes will be posted on this page with an updated effective date.

We recommend periodically checking this page for updates. Continued use of the Application after changes constitutes your acceptance of the new version of the Policy.
